Please see the suggested markups from the OFR removing a direct quote from 40 CFR 232.2 on the basis that we cannot include "extensive quotes of law or regs". Is there any problem with accepting their edit (i.e., shorten it to say "'State regulated waters" are defined in 40 CFR 232.2.")). Please let me know. Thanks! Tom

Tom

FR DDH does not allow extensive quotes of law or regs.

Since its in the CFR, I recommend just removing it, no need to summarize it.

OP requested I send this to the FR as an Emergency, so I would like to return the edits by 1 pm or earlier.

Please call with questions.
